CLOUD & TECHNICAL PROJECTS

AWS EC2 Portfolio Deployment

2025–2026

AWS · EC2 · Ubuntu Server · Git/GitHub · Linux Administration

- Deployed a publicly accessible portfolio website with reliable uptime by provisioning and hardening an AWS EC2 Ubuntu instance end-to-end.
- Secured public traffic routing by configuring security group rules and HTTP/Apache2 routing from scratch.

Portfolio Website

2025

HTML5 · CSS3 · AI-Assisted Development · Deployment Optimization

- Shipped a live personal portfolio showcasing 3+ projects and certifications by building and deploying a responsive HTML5/CSS3 site.
- Cut development time versus manual coding by integrating AI-assisted development tools (Replit Agent) into the build workflow.

Python Calculator

2025

Python · Control Flow · VS Code

- Built a fully functional desktop calculator by implementing core Python logic and control-flow structures end-to-end in VS Code.

LEADERSHIP & INDEPENDENT VENTURES

Mathematics Tutor & Academic Mentor

2021 – Present

Independent Academic Instruction · Sikandrabad, UP

- Grew a private tutoring practice to 60+ concurrent secondary school students by designing structured, curriculum-aligned lesson plans for Class 9–10 Mathematics.
- Improved test performance for a focused cohort of 15 students by implementing individualized progress tracking and weekly diagnostic assessments.
- Sustained 5+ years of client retention and referrals by building a repeatable, data-informed teaching framework adaptable across ability levels.

ATHLETIC LEADERSHIP

- National Gold Medalist — Football (IPSF, U-19, 2024) and Table Tennis (SGADF, U-15) — and Team Captain at two regional football clubs (Uttar United FC, Sanchi Warriors), mentoring U-17 development squads, 2018–2024.
